AIRPORT TRANSFER

We believe your time is precious and we will help you to have a perfect ride home, as we can support you in organizing your transfers to and from London airports. We will only be providing you with a licensed transport so that you can enjoy a very safe and comfortable ride with different options to choose from favourable fares in collaboration with London's trusted transportation companies.

TRAVEL INSURANCE

To prevent regretting any adversity, we will advise you to have a suitable insurance for your visit during London, so that you can achieve peace of mind in case of things going wrong, it can be compensated with the right insurance package and we will support you in choosing a suitable insurance coverage. Though you are travelling within Europe and even if you may have The European Health Insurance Card, we would still advise you to buy a suitable insurance for the cost of 1 GBP per day. It is in fact advised to have an adequate cover for medical expenses and for third party liability, during your work experience you will be asked to show proof of insurance coverage and the hosting company in the UK might be willing to receive copy of this document before confirming your trainee-ship.
