

KBM Work Experience in London Business Review

A monthly publication of KBM Consultants.

Open Day Event @ KBM Work Experience in London

KBM Work Experience in London held an open day event at Park Royal office, specifically for the EU students residing in London. The objective of the event was to build awareness of the work placement opportunities in U.K and how EU students can get connected to the potential employers in U.K. The students were also informed of various work experience sectors covered by KBM WEIL.

Federica Carnevali – Certified in Media Sector @ KBM WEIL

Ms. Federica Carnevali, successfully completed her work placement in media sector in one of the hosting companies of KBM Work Experience in London. She had opportunity to work with professional experts in marketing and operations. She improved her digital marketing and communication skills throughout her stay at KBM WEIL. Ms. Federica was also given tips on how to enhance C.V and interact with potential clients. To watch her video testimonial, please visit: www.facebook.com/kbmweil

Marianna Potocco – Certified in Sales and Event Management @ KBM WEIL

Ms. Marianna Potocco, successfully completed her work placement in sales, marketing and event management in one of the hosting companies of KBM Work Experience in London. She had opportunity to work with dynamic trainers and mentors in sales and marketing. The work placement helped her having practical exposure to her functional areas. Ms. Marianna also improved her event management skills during her stay. To watch her video testimonial, please visit: www.facebook.com/kbmweil
