The success rate of KBM Consultants for student visa of Sweden has been 99% for the year 2014. Out of 13 students, 12 students were granted visas for Nordic diploma in social welfare in Halmstad University Sweden. The trend is also moving upwards for Jonkoping University as well as Linnaeus University. More and more students are giving preference and applying to Sweden universities rather than UK universities for quite a number of reasons including schengen visa, fresh bank statements requirement, new avenues for personality building, worldwide acceptable degree, centre of attraction for economics aspect, less tuition fees as compared to other countries, diverse culture and life style, wide-ranging work opportunities in Sweden and Denmark and much more.

TraindentinEU: Training Young Dentists in Europe

ITALY NEWS

KBM Consultants is successfully managing and running programs for the groups engaged in various fields and providing services like language courses, accommodation, transportation and work placements. Recently KBM Consultants is going to host and administer the first group of six Italian Students under the program named as Train Dentists starting from April 2014 and completing in October 2014. Furthermore there will also be three more groups of six students for the same program in the coming months. These students are residing in London for about eight weeks for English Language Course which is being offered at KBM British School of English for two weeks. Moreover these students are also engaged in work placement program which has been arranged in various dental surgeries of London.

KBM Consultants participated in UCAS Higher Education Convention 2014 event which was held at London Olympia Expo Centre from April 2 to April 4, 2014. The event was a huge success with a participation of more than 24000 students from London. Also around 200 universities and exhibitors from all over UK participated in this event. The purpose of UCAS higher education conventions is to bring together future students with course providers and other interesting organizations and providing application services across a range of subject areas and modes of study for UK higher education providers. Hence, KBM Consultants being one of the best Higher education providers in UK actively participated in this successful event.
