BENEFITS OF HAVING WORK EXPERIENCE IN HOSPITALITY

BENEFITS:

Hospitality and Tourism is among the **world's most popular industries**, employing over 60 million people globally. Hospitality and Tourism sector will provide interneers with the skills needed to travel the world, work in a range of exciting sectors and meet a range of different **people from all cultures and backgrounds**.

This Work Experience will give an insight, how international tourism works, plus detailed study on the **supply chain, customer demand** and the **global forces** impacting on the sustainability of tourism will be gained.

BENEFITS OF HAVING WORK EXPERIENCE IN HOSPITALITY

The Spanish hospitality sector has a total value added of €66.5bn, or 6.3% of GDP. **This is the fourth highest contribution to GDP in Europe**

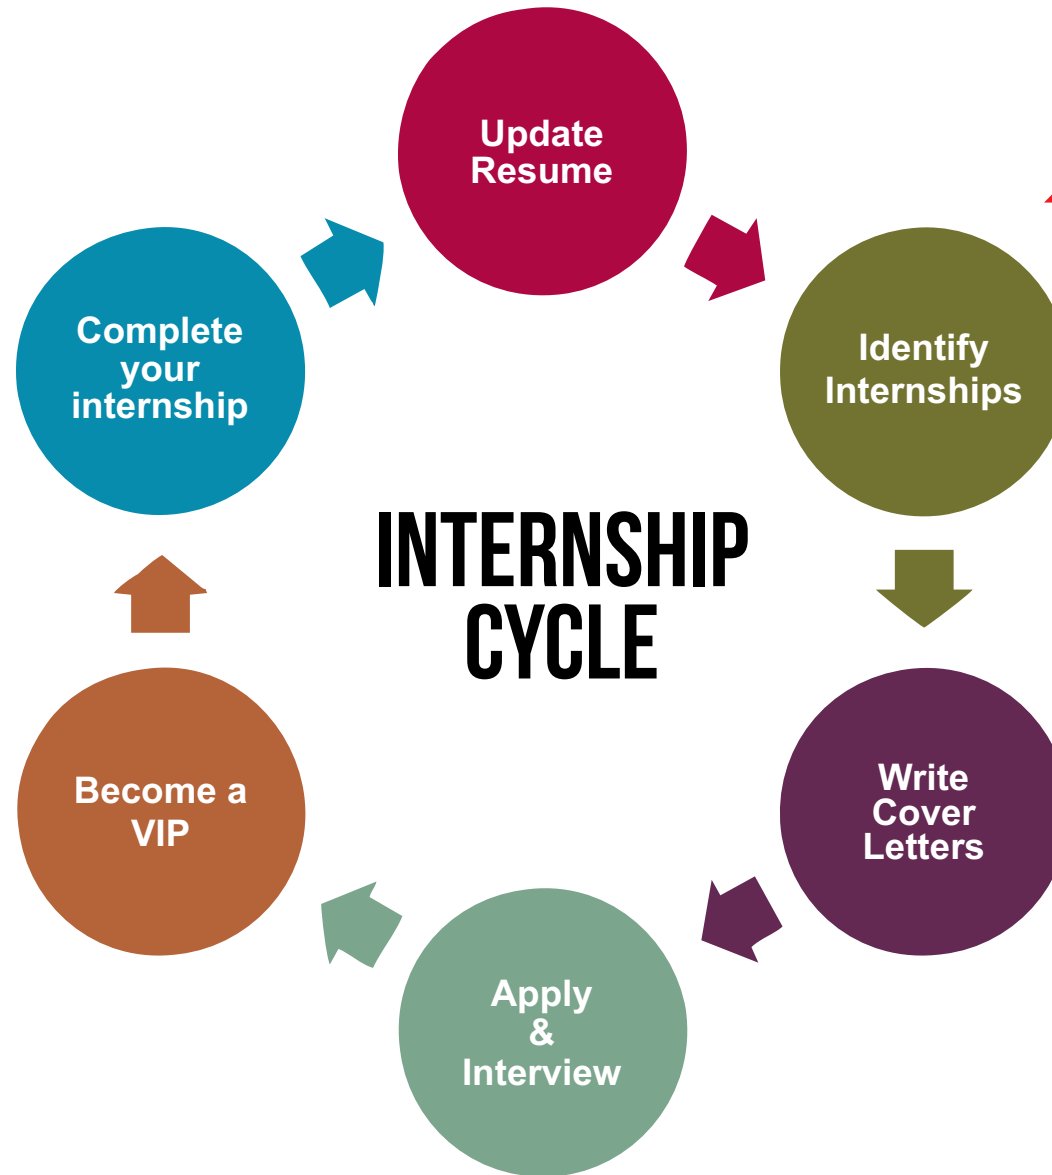

The Spanish hospitality sector is a significant contributor to the wider economy and helps to support over 12% of the whole workforce.

This Sector faces challenges it remains resilient, with an increasing number of restaurants helping to stimulate demand and additional flexible employment.

The continued globalisation of tourism is likely to attract greater numbers of tourists to Spain in the medium term. It will, however, also increase the standard of hotel that customers expect, which means Spanish hotels have to ensure they set up quality systems and pay increased attention to tourists' demands
