Housing

Our team can help you find safe, comfortable and affordable housing options. We offer a shared roommate program at apartment communities within walking distance to the campus, allowing you to focus on school, classes, work and life in general. Many students prefer to stay within their communities and find housing through family and friends, or other students currently studying at Stratford. Learn more about housing at www.stratford.edu/housing.

KBM Consultants attended International Franchising Fair 2014

KBM Consultants has attended International WEBA Education Agents Workshops held in London on the 28 and 29 April 2014 at the Park Inn by Radisson Heathrow Hotel. Along with KBM Consultant, over 150 institutions and 300 agents were also present in the International WEBA Agents Workshops, hence providing KBM Consultants with the golden opportunity to broaden its scope in the market. The workshop involved face-to-face meetings between Universities presenters and agents. Top Schools like John Cabot University, University of Winchester, Columbia International College, Oxford Royal Academy ESERP Business School, Ross School etc attended the fair. A very high number of Agents from all over the world also attended the fair. Some of the participating countries were Switzerland, Italy, Hungary, Spain, United Kingdom, Cyprus, Romania, Russia, Turkey, Mauritius, Brasil, Canada, Singapore, Vietnam, Sri Lanka, Saudi Arabia, UAE, Pakistan, India, and many more. The workshop provided KBM Consultants with an opportunity to interact with presenters of various renowned schools from all over the world to discover new avenues.

UK NEWS

SC INGLESE trading as KBM Consultants and the Italian team of KBM has just accepted a new, interesting and stimulating challenge for this MAY 2014: being partner of a call for proposals called TORNO SUBITO (I will be back soon!), sponsored by the Lazio Region in Central Italy and including all cities based in the Region included Rome where KBM Italian Office is also based. The call for proposals sponsored by Regione Lazio will allow many fresh Italian graduates to gain funding for training abroad in another European Country. The programme is based on a mixture of work experience in Italy, language course abroad, and work experience abroad. KBM Consultants in Italy is a partner and provider of EU services for these young professionals, together with many other International organisations and training institutes around Europe.
