## Italy News

On Thursday 28th November 2015, in Rome, Italy, there has been an important training and info day with the Italian National Agency ISFOL, regarding the Erasmus Plus projects for VET Learners and Staff, approved in Italy for the year 2015. Ms. Emanuela Marianecchi from KBM Group, EU project coordinator, took part to the event, since KBM Media Solutions and KBM Group are both partners in an Erasmus Plus project involving several school students from the Marche Region in Italy. The project is about Digital Strategies and it will allow 48 students aged 17 and 18, all Italian Nationals, to visit different countries in Europe and to benefit from 4 weeks of work placement in the IT and Media Sector.
